- (b) he is satisfied that the Academy has no reasonable prospect of becoming financially sustainable in the foreseeable future, in which case the Secretary of State will consent to the Company terminating the Agreement on 31 August following the Termination Request Notice or on such other date as the parties may mutually agree and the Company may by notice in writing to the Secretary of State terminate the agreement on that date; or
- (c) the Academy is or will become financially sustainable in the foreseeable future and the basis for his view. In such circumstances, the Secretary of State will consider a further Termination Request Notice under 5.7 where the Company can demonstrate in that Notice a material change affecting the financial sustainability of the Academy.

5.11 Both parties recognise that if a Termination Request Notice is given by the Company they will need to engage in a constructive dialogue about how best to provide education for the pupils at the Academy and undertake to use their respective best endeavours to agree a practical solution to the problem identified by the Termination Request Notice and, if possible, to seek ways in which the financial sustainability of the Academy can be achieved.

5.12 If the agreement is terminated in accordance with clause 5.10 the parties shall agree as soon as practical arrangements for the closure of the Academy and the future teaching of the pupils at the Academy.

- 5.13 If the Company has not obtained full planning permission (including where relevant listed building consent), in respect of the site on which it is proposed that the Academy will be situated, by 19/10/2014, the Secretary of State may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

ANNEXES TO THIS SUPPLEMENTAL AGREEMENT

Requirements for the Admission for pupils at the
Academy

Annex 1

Annex 1

REQUIREMENTS FOR THE ADMISSION OF PUPILS TO THE ACADEMY

GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.
2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education ("the Codes") as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to "admission authorities" shall be deemed to be references to the Company.
- 2A The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children²) to other children attracting the pupil premium, including the service premium ('the pupil premium admission criterion'). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.
- 2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:
 - any personal details about their financial status; or
 - whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.
3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.
4. Notwithstanding any provision in this Annex, the Secretary of State may:
 - (a) direct the Company to admit a named pupil to the Academy on application from an LA. This will include complying with a School Attendance Order³. Before doing so the Secretary of State will consult

² As defined in the School Admissions Code.

³ Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might,

the Company;

- (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes;
 - (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the School Admission Appeals Code.
5. The Company shall ensure that parents and 'relevant children'⁴ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

Relevant Area

6. Subject to paragraph 7, the meaning of "Relevant Area" for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.
7. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

Requirement to admit pupils

8. Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

Oversubscription criteria, admission number, consultation, determination and objections.

10. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group⁵. The Company will consult on the Academy's admission arrangements and determine them in line with the requirements within the School Admissions Code.
11. The Office of the School's Adjudicator (OSA) will consider objections to the Academy's admission arrangements⁶. The Company should therefore make it clear, when determining the Academy's admission arrangements, that objections should be submitted to the OSA.
12. A determination of an objection by the OSA will be binding upon the Academy and the Company will make appropriate changes as quickly as possible.

⁵ 'Relevant age group' means 'normal point of admission to the school, for example, year R, Year7 and Year 12.
