

1. Pupil Numbers

Oasis Academy South Bank (OASB) will offer 60 Year 12 places each year. There will be 120 students in the Sixth Form.

2. Minimum Admissions Criteria

All students (internal and external) must attain a minimum of five GCSEs at a grade 5, including English and Maths. Students must also meet the Subject Specific Course Requirements (set out in section 4). Students will be given priority if they have attended and completed their GCSE course at Oasis Academy South Bank-the oversubscription criteria below will be applied to these students if there are more than 60 internal OASB students that apply that meet the minimum and Subject Specific Course Requirements. Students who have not attended Oasis Academy South Bank for Key Stage 4 will only be admitted if fewer than 60 Oasis Academy South Bank students from Year 11 are successfully admitted into Year 12 (who meet the Minimum Admissions Criteria and the Specific Course Requirements). External students, who meet the minimum and Subject Specific Course Requirements, will then be admitted using the priorities laid out in the oversubscription criteria below a-e. **External students will ONLY be admitted if there are spaces available following the admission of internal OASB students who have met all entry criteria.**

3. Oversubscription Criteria

If the Sixth Form is oversubscribed, students who meet the Minimum Admissions Criteria (see section 2) and meet the Course Requirements (see section 4) of their conditional offer will be admitted according to the order of the oversubscription criteria below:

- a. Students who have a Statement of Special Educational Needs or EHCP where the school is named in the EHCP.
- b. Students who are Looked After Children or previously Looked After Children. A looked after child is a child in the care of the Local Authority or provided with accommodation by the Local Authority (as defined in Section 22 of the Children Act 1989) at the time of application. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order of special guardianship order).
- c. Siblings - we will prioritise twins or children from other multiple births
- d. Students who have an **exceptional medical or social need**, to be accompanied by supporting submissions from the applicant’s GP and/or consultant, social worker or education welfare officer, setting out the particular reasons why Oasis Academy South Bank is the most suitable school for the child and that the medical or social grounds are such that they cannot be met sufficiently at another school.
- e. Students who are not separated by criteria a-d will be separated by the distance they live from the school. Distance-as measured by a straight line between the child’s home and the school. The measurements will be done by computerised mapping system, from the child’s home to the school. The child’s home address will be considered to be where the child spends the majority of the school week.
