

Percentage	I can ...	Prove it!
	<p><b>I can apply my understanding of a specific place to accurately answer a case study question.</b></p> <p><b>This will often involve breaking information into parts and using knowledge from other parts of the unit to achieve the highest marks.</b></p>	<ol style="list-style-type: none"> <li><i>Cities in the UK are located close to roads and rivers. How far do you agree with this statement?</i></li> <li><i>The key factor that affects population density is altitude. Discuss.</i></li> <li>Using specific examples, describe how scale, compass points, grid references and contour lines can help us understand and navigate OS maps.</li> </ol>
	<p><b>I can compare two or more factors using detailed evidence to back up my comparison. I make sure I explain how they will impact differently.</b></p> <p><b>I can break information into parts.</b></p> <p><b>I can use specific case studies or examples to provide evidence in my work.</b></p>	<ol style="list-style-type: none"> <li>How does quality of life differ in Scotland and south-east England?</li> <li>Describe, using specific examples, how transportation routes differ around England.</li> <li>Explain, using specific examples how transportation routes affect population density.</li> <li>Describe the key physical and human characteristics of the area surrounding Scarfell Pike.</li> <li>Describe the key physical and human characteristics of the area surrounding Leeds.</li> <li>Describe the key physical and human characteristics of the area surrounding Birmingham.</li> <li>Explain why it is important to use scale on a map.</li> </ol>

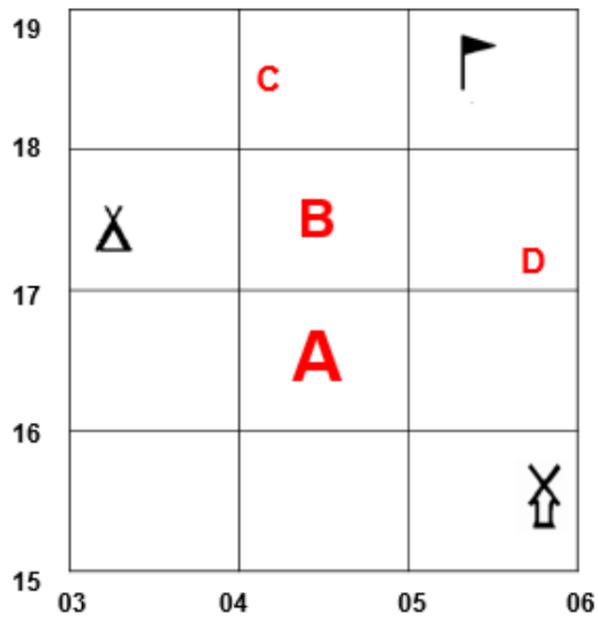

Percentage	I can ...	Prove it!
	<p>I can demonstrate a clear understanding of facts and processes through explanation, which follows a detailed structure that ensures I explain my point/s to the fullest.</p> <ul style="list-style-type: none"> <li>• <i>I believe.....because..... This means that..... As a result.....</i></li> <li>• <i>I choose.....because..... This means that..... As a result.....</i></li> <li>• <i>One way is.....because..... This means that..... As a result.....</i></li> </ul>	<ol style="list-style-type: none"> <li>1. Explain why there is a high population density in the south east of England.</li> <li>2. Explain why there is a sparse population density in Scotland.</li> <li>3. Explain why the UK is considered an important place. <i>Think back to interesting facts from lesson 1.</i></li> <li>4. Explain how a scale line can be used to calculate distance.</li> <li>5. Explain how ratio (:) can be used to calculate distance.</li> <li>6. A person walks 10KM in one day. The scale is 5km:1cm, how many cm will this be on the map?</li> </ol>
	<p>Demonstrate an understanding of facts and ideas through detailed description, which uses evidence to back up points.</p> <p><i>Make your point and then give two examples.</i></p>	<ol style="list-style-type: none"> <li>1. Describe the UK's main physical features.</li> <li>2. Describe what a relief map shows</li> <li>3. Describe the UK's main human features.</li> <li>4. Describe the UK's population distribution.</li> <li>5. List the cities the M1 travels through</li> <li>8. What is the six figure grid reference for the windmill, campsite and golf course?</li> <li>9. What is the six figure grid reference for letters C and D?</li> <li>6. Describe where London is located in the UK. <i>You must use compass directions, human features and physical features.</i></li> <li>7. Describe the stages we would use to measure a straight line distance on a map.</li> <li>8. Describe the stages we would use to measure a curved line distance on a map.</li> </ol>

Percentage	I can ...	Prove it!
<p>36%</p>	<p><b>I can recall facts, identify factors or points and organise my ideas in a logical way.</b></p> <p><i>The definition of.....is.....</i></p> <p><i>Two ways that.....</i></p>	<ol style="list-style-type: none"> <li>List three rivers in the UK</li> <li>List three mountains in the UK</li> <li>List three cities in England</li> <li>List three roads in the UK</li> <li>List the three largest cities in the UK</li> <li>Name a city in Scotland</li> <li>Name the capital city of Wales and England.</li> <li>What is the four figure grid reference for the letters A, B and D?</li> <li>What is the four figure grid reference of the windmill, golf course and campsite?</li> <li>Draw a four-point compass?</li> <li>East is opposite to .....</li> <li>Scale is the .....</li> <li>What does the scale show us?</li> </ol>

- Key Words**
- United Kingdom
  - England
  - Scotland
  - Wales
  - Northern Ireland
  - Human features
  - Physical features
  - Scale
  - Distance
