

Percentage	I can ...	Prove it!
	<p>1. Evaluate the claim of King Edward's successor.</p> <p>2. Evaluate William's victory at Hastings. This means explaining the most important causes(s).</p>	<p>1) Decide which claimant had the strongest the claim.  <i>80%: The claimant with the best claim in 1066 was.....</i></p> <p>2) Decide which cause(s) was/were the most imprint  <i>80%: The most important cause(s) or William's victory at the battle or Hastings was/were.....</i></p>
	<p>1. Evaluate the claims of the claimants to the throne in 1066</p> <p>2. Evaluate the causes of William's victory in 1066.</p>	<p>1) Judge the strength of the claim of each claimant.            30%: <i>One claimant to the throne in 1066 was....</i>            40%: <i>They thought they should have been King because.....</i>            50%: <i>This explains why they claimed the throne because...</i>            60%: <i>This is similar/different to the claim of .....because.....</i>  <i>70%: Their claim was strong/weak because...</i></p> <p>2) Explain how some causes are more important than others.            30%: <i>One cause of William winning the Battle of Hastings was.....</i>            40%: <i>For example.....</i>            50%: <i>This explains why William won because.....</i>            60%: <i>This cause links to .....because.....</i>  <i>70%: This was a more/less important cause of William's victory than ....because.....</i></p>
	<p>1. Synthesise the claims of each claimant in 1066.</p> <p>2. Synthesise the causes of William winning the Battle of Hastings in 1066.</p>	<p>1) Make links between the claims of each claimant. Explain the similarities and differences.            30%: <i>One claimant to the throne in 1066 was....</i>            40%: <i>They thought they should have been King because.....</i>            50%: <i>This explains why they claimed the throne because...</i>  <i>60%: This is similar/different to the claim of .....because.....</i></p> <p>2) Make links between causes of William's victory at the battle of Hastings. Explain how causes are similar.            30%: <i>One cause of William winning the Battle of Hastings was.....</i>            40%: <i>For example.....</i>            50%: <i>This explains why William won because.....</i>  <i>60%: This cause links to .....because.....</i></p>

Percentage	I can ...	Prove it!
	<p>1. Analyse the claim of each claimant to the throne in 1066.</p> <p>2. Analyse the causes of William's victory at Hastings.</p>	<p>1) Explain why each claimant thought they should be King in 1066.                      30%: <i>One claimant to the throne in 1066 was...</i>                      40%: <i>They thought they should have been King because.....</i>                      50%: <i>This explains why they claimed the throne because...</i></p> <p>1) Explain why each cause led to William's victory at the Battle of Hastings.                      30%: <i>One cause of William winning the Battle of Hastings was.....</i>                      40%: <i>For example....</i>                      50%: <i>This explains why William won because....</i></p>
	<p>1. Describe the claims of each claimant by applying knowledge of each claimant.</p> <p>2. Describe causes of William's victory at the Battle of Hastings by applying knowledge of each cause.</p>	<p>1) Write at least one reason why each claimant thought they should be King. Use precise facts such as examples, names, dates, figures.                      30%: <i>One claimant to the throne in 1066 was...</i>                      40%: <i>They thought they should have been King because.....</i></p> <p>2) Write down facts about each cause of William winning at Hastings. Use precise facts such as examples, names, dates, figures.                      30%: <i>One cause of William winning the Battle of Hastings was.....</i>                      40%: <i>For example....</i></p>

Percentage	I can ...	Prove it!
	<p>1. Identify the 4 claimants to the throne in 1066.</p> <p>2. Identify causes of William's victory at the Battle of Hastings.</p>	<p>1) Write down the names of the 4 claimants to the throne in 1066.  <i>30%: One claimant to the throne in 1066 was...</i></p> <p>2) Read about what happened in 1066. Highlight reasons why William won the battle of Hastings.  <i>30%: One cause of William winning the Battle of Hastings was.....</i></p>

Key Words:

Cause

Claimant

Harold Godwinson

William of Normandy

Harald Hardrada

Edgar Atheling

Battle of Hastings
