

Percentage	I can ...	Prove it!
	<p>I can evaluate a topic by presenting the positives and negatives before reaching a conclusion. I can defend my judgement using a variety of evidenced points.</p> <p><i>In order to answer questions similar to 3, 4 and 5 use the following structure:</i></p> <ul style="list-style-type: none"> <i>Reasons why the statement is correct.</i> <i>What limitations does the statement have? Suggest a minimum of two alternative options explaining how they would impact differently.</i> <i>Overall do you agree or disagree with the statement and why? Use evidence to back up your points.</i> 	<ol style="list-style-type: none"> 1) The Mumbai slum sanitation project is a sustainable scheme to help Mumbai develop. Using this and at least one other example, explain how these types of scheme can improve an area's people and economy in LICs and NEEs. 2) 'Mumbai is the city of hope'. To what extent do you agree with this statement? 3) Assess the effectiveness of the Mumbai slum electrification project.
	<p>I can compare two or more processes/factors using detailed evidence to back up my comparison. I make sure I explain how they will impact differently.</p> <ul style="list-style-type: none"> <i>I believe.....(make your statement)...</i> <i>Firstly.....This means that.....As a result.....</i> <i>Alternatively.....This means that.....As a result.....</i> <p>I can break information into parts, such as social, economic or environmental.</p> <ul style="list-style-type: none"> <i>There have been various impacts.</i> <i>A social impact is..... This means that..... As a result.....</i> <i>An economic impact is..... This means that..... As a result.....</i> 	<ol style="list-style-type: none"> 1) Describe how urbanisation has resulted in the growth of Mumbai. 2) Describe push and pull factors that result in urbanisation. 3) Using specific examples, describe what quality of life is like as a slum dweller in Mumbai. (<i>hint: squatter settlements, sanitation</i>) 4) What are the economic opportunities in Mumbai? 5) What are the social opportunities in Mumbai? 6) Using specific examples, describe how Mumbai has become more sustainable? <i>You must include: what they have done and who/how it has helped.</i> 7) Compare the effectiveness of the Mumbai slum sanitation project, housing strategies and the Mumbai slum electrification project. 8) What are the social and environmental challenges in Mumbai?

Percentage	I can ...	Prove it!
 <p>60%</p>	<p>I can demonstrate a clear understanding of facts and processes through explanation. I use a detailed structure that ensures I explain my point/s to the fullest.</p> <ul style="list-style-type: none"> • <i>I believe.....because..... This means that..... As a result.....</i> • <i>I choose.....because..... This means that..... As a result.....</i> • <i>One way to.....is by.....because..... This means that..... As a result.....</i> 	<ol style="list-style-type: none"> 1) Explain 3 push factors that result in urbanisation 2) Explain 3 pull factors that result in urbanisation. 3) Why does urbanisation result in the creation of shanty towns? 4) Explain why shanty towns are often associated with poor living conditions. 5) Explain why some social opportunities are also economic. 6) Explain the different challenges in Mumbai. 7) Explain why Mumbai is an attractive place for people and companies. 8) Explain how the Mumbai slum sanitation project can help reduce the challenges.
 <p>48%</p>	<p>I can demonstrate an understanding of facts and ideas through detailed description, which uses evidence to back up points.</p> <p><i>Examples:</i></p> <ul style="list-style-type: none"> • <i>Megacities form due to...</i> • <i>An example of this is.....where.....</i> • <i>Urbanisation impacts on LICs by...</i> • <i>This means that...</i> • <i>As a result...</i> • <i>Good aid must.....</i> • <i>An example of this can be seen in...</i> • <i>Additionally.....</i> • <i>To reduce the impact of traffic congestion we can.....</i> • <i>This means that.....</i> • <i>As a result.....</i> 	<ol style="list-style-type: none"> 1) Describe how urbanisation contributes to the formation of megacities. 2) Describe four reasons why people move to urban areas in LICs. 3) Describe the living conditions within a shanty town. 4) Describe how clean water and sanitation can affect people living in Mumbai. 5) Describe how the Mumbai slum sanitation project helps people living in shanty towns. 6) Describe how urbanisation affects HIC cities. 7) Describe how housing strategies can benefit people living in Mumbai. 8) Describe two challenges faced by people living in a shanty town in Mumbai. 9) Describe two strategies that reduce challenges faced by people living in shanty towns.

Percentage	I can ...	Prove it!
<p>36%</p>	<p>I can recall facts, identify factors or points and organise my ideas in a logical way.</p> <p><i>The definition of.....is.....</i></p> <p><i>Two impacts of urbanisation are...</i></p> <p><i>Two push and pull factors are...</i></p> <p><i>Two social impacts of traffic congestion are...</i></p>	<ol style="list-style-type: none"> 1) What is the definition of urbanisation? 2) What is a pull factor? 3) What is a push factor? 4) List two push and two pull factors. 5) How many people must live in an urban area for it to be called a megacity? 6) What is a shanty town? 7) List three living conditions of a shanty town. 8) What is the definition of sustainability? 9) Identify four social opportunities in Mumbai. 10) Identify four economic opportunities in Mumbai. 11) Identify four challenges in Mumbai 12)What is the slum electrification project? 13)What is the Mumbai slum sanitation project? 14)List four sustainable strategies to overcome the challenges faced by people living in shanty towns.

Key Words:

- Urbanisation
- Push Factor
- Pull Factor
- Urban
- Megacity
- LIC
- HIC
- Shanty town
- Slum dweller
- Mumbai, India
- Sustainability
- Social
- Economic
- Environmental
- Sanitation
- Electricity
