**The origins and value of the universe**

- Explain the relationship between scientific and religious views about the origins of the universe
- Explain different attitudes in contemporary British society to the value of the world
- Explain different attitudes in contemporary British society to the use and abuse of the environment
- Explain different attitudes in contemporary British society to the use and abuse of animals

**The origins and value of human life**

- Explain the relationship between scientific and religious views about the origins of human life
- Explain different attitudes in contemporary British society to abortion
- Explain different attitudes in contemporary British society to euthanasia
- Explain different attitudes in contemporary British society to death and the afterlife

**The origins and value of the universe**

Explain different attitudes in contemporary British society to the issue of \_\_\_\_\_.  
You must refer to religious views in your answer.  
You may also refer to non-religious views.

- 1) Pollution
- 2) Natural resources
- 3) Stewardship
- 4) Origins of the universe
- 5) Animal experimentation
- 6) Fur and ivory
- 7) Hunting
- 8) Work and transport

**The origins and value of human life**

Explain different attitudes in contemporary British society to the issue of \_\_\_\_\_.  
You must refer to religious views in your answer.  
You may also refer to non-religious views.

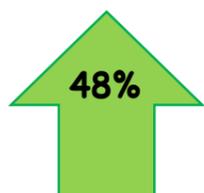

- 1) Abortion
- 2) Abortion for medical reasons
- 3) Self-determination
- 4) Abortion because you don't want a baby
- 5) Passive euthanasia
- 6) Active euthanasia
- 7) Where human life originates from
- 8) What happens when we die

**The origins and value of the universe**

- Briefly explain how a religion believes the world was created
- Briefly explain the big bang theory
- Briefly explain why religious believers have a duty to protect the world
- Briefly explain why religious believers have a duty to look after the environment
- Briefly explain what religious believers believe about looking after animals

**The origins and value of human life**

- Briefly explain how religious believers think life began
- Explain how sanctity of life and quality of life connect to key topics
- Briefly explain what religious believers think about abortion
- Briefly explain what religious believers think about euthanasia
- Briefly explain what religious believers think happens after death

**The origins and value of the universe**

- 1) How do Christians believe the world was created?
- 2) What is the big bang theory?
- 3) Why do religious believers think they should look after the world?
- 4) Explain religious attitudes to pollution
- 5) Explain religious attitudes to destruction of the natural world
- 6) Explain religious attitudes to eating animals

**The origins and value of human life**

- 1) How did the world begin?
- 2) Explain how sanctity of life connects to abortion
- 3) Explain how quality of life connects to euthanasia
- 4) Explain religious beliefs about euthanasia
- 5) Explain religious beliefs about the afterlife
